

NOTICE OF FILING

Application of Duke Energy Carolinas, LLC for Approval of Residential New Construction Program
Docket No. 2022-197-E

Why is this Notice Important?

- This Notice is for electric customers of Duke Energy Carolinas, LLC and interested persons.
- The Public Service Commission will review Duke Energy Carolinas, LLC's proposed Residential New Construction Program during this case.
- The Residential New Construction Program provides incentives to residential builders to encourage the use of energy efficient building practices, equipment, and appliances for new home construction.
- The Residential New Construction Program provides eligible residential builders the opportunity to receive an incentive for each home that is constructed to meet or exceed the High Energy Residential Option (HERO) or HERO-Plus standards.
- Incentives are also available on a case-by-case basis to residential builders for the installation of high efficiency equipment such as high efficiency HVAC equipment.
- Duke Energy Carolinas, LLC proposes the costs incurred by the Company associated with the Residential New Construction Program be recovered through its Energy Efficiency/Demand-Side Management Rider.
- The case was filed according to S.C. Code Ann. Section 58-37-20, S.C. Code Ann. Regs. 103-823 and Commission Order No. 2021-32.
